

A Class Powder Overhauls Sales & Marketing for the Commercial Segment

Overview

A Class Powder Coating is an **Australian provider of premium powder coating services.**

With **the business under new management, they wanted to focus more on the commercial space.**

They **lacked the marketing and sales materials** to do this and **to support their change in strategy.**

Designs Underaken

Partnering with Design Bees, **they produced a range of assets to help make their new approach in B2B a reality:**

CASE STUDY

Vlad S,
Managing Director,
A Class Powder Coating

“We couldn’t be **happier with the work that Design Bees have done for us.**

As a new owner of the business, it helped us get business ready for our new approach, and was super quick and efficient.

Best of all it **doesn’t break the budget** and we have a reliable ongoing design support to help us.
